Newsletter

From the Principal ...

Youth Ambassadors -

Thursday and Friday this week Astrid Moyle and Samuel Wurfel travelled to Creswick near Ballarat to attend the Country Education Partnership (CEP) rural learning summit. They have been involved in discussions and presentations with about seventy people from across rural Victoria, and education systems. They also dined with the CEP board members and were lucky enough to be accommodated at the Novotel Forrest Resort.

Grade 3/4 Camp - Swan Hill -

The Grade 3/4 students have enjoyed their camp to Swan Hill Pioneer Village for the last three days of this week. I trust that they have had an enjoyable time and learnt a great deal about pioneer life from the excellent activities that were planned. These included rope making, butter churning, blacksmithing, horse drawn vehicle and vintage car rides, and a river cruise, to name a few. Thank you again to Carly Heintze and Kim Luckman for making this camp a very worthwhile experience for these children.

Year 10 & 11 Pathways -

Year 10 and 11 students have spent the last two weeks discussing and considering their subject choices for 2014.

Just a quick reminder to all that these are now due.

I will be available to students and parents to discuss their choices, but

I would like to finalise these early next week so that we can begin planning for 2014.

Anaphylaxis -

On Wednesday the staff carried out their six monthly anaphylaxis update.

We have a small amount of students and staff that react in this way to bees, and Brooklyn Morzer-Bruyns to nuts.

Thank you to Stacey, who came and explained to the staff how to identify and treat such a reaction. So severe is Brooklyn's allergy that he can react to very limited exposure to nut products.

Can parents please ensure that students having peanut butter at home for breakfast wash their face and hands before they leave for school.

More Student Success -

Certificates have this week been awarded to students who achieved exceptional results in the recent Maths and Science competitions. The Maths winners are pictured here and those for Science on page 3, along with the results.

Elly Thomas was particularly successful, achieving a High Distinction in both of these competitions.

Open Day -

An early reminder to keep Friday 20th September (the last day of this term) free for our annual Open Day. The college will be open and on display from 9am, with performances of the week's dance/author classes at 12 noon.

The day will conclude with a staff vs students soccer match after lunch. We welcome anyone interested to visit and see what Murrayville Community College has to offer. More details will be provided closer to the date.

*Natasha Mudie
Principal*

HOUSE ATHLETICS CHAMPIONS

12-13	BOYS	1st	Henry Gibson	GIRLS	1st	Candice Wilson
		2nd	Mitchell Parker		2nd	Maddison Mudie
