Inspiring P.R.I.D.E. • We Value • Persistence Respect Independence Determination Excellence

From the Principal

Athletics Sports -

Thank you to all of those parents, grandparents and carers who came out on Wednesday to support our students competing in the Athletics carnival. I was very sad to miss the day, it is the first sports day I have missed in a very long time. I would like to thank Mr Willersdorf and Mrs Wyatt for their organisation prior to and on Wednesday. Thanks also to Paul & Barb for their help with cooking the BBQ and Richard Kalms for getting the BBQ for us. By all reports it was an excellent day, congratulations to all students on their fantastic level of participation, and finally congratulations to Winjeel on their overall success.

Open Day -

A reminder to all families that Open day is next Wednesday and we would love to have as many visitors as possible to share in the activities of the day. This is a fantastic opportunity for families to engage in their students' learning at school. There is a fabulous itinerary of activities to experience and the day will be enhanced by the visiting Variety Bash cars, who will be stopping at the school for lunch. This is always a highlight for our students. Please note that due to the parking of Variety Bash cars on the college north lawn, the staff car park next to the bus shelter will be closed as there will be a high level of pedestrian traffic.

Parents are advised to park in the visitor car park or next to the oval.

Student Teacher -

For the first six weeks of this term our Prep to Year Two students have had the pleasure of a new and bright face in their classroom. Jaci Lewis is in her 3rd year of Training in Early Childhood teaching and is enjoying her first school based placement. She is doing a fantastic job in this room and is now taking the equivalent of a full teaching allotment. She definitely has what it takes to make a wonderful early childhood teacher and we have been very fortunate to host her for this placement.

t.

Digital Schools Learning Grant -

Karen Bailey has prepared and submitted a grant application for a programmable robot package that will assist our teachers to engage our students in some of the new digital technologies curriculum. It will assist the staff to teach coding as well as a range of applications from Prep through to Year 10. A lot of work went into this application and it was very well written. I am very hopeful that there will be a successful outcome.

Maggie Farrar -

On Tuesday and Wednesday I attended sessions with the other Principals from our Mallee Education Cluster hosted by Country Education Partnership and facilitated by Maggie Farrar. Maggie is a sought after international speaker with fantastic experience in leadership development and collaboration.

Primary Champions

The whole point of the session was to strengthen our cluster collaboration so that our students and teachers can get the very best out of each other. This is exciting work and as Principals we have identified extra opportunities for our teachers and students from the Mallee schools to work together. Maggie's quote that really rang true for me over the course of the two days was "Isolation is the enemy of improvement". It is my job to ensure that no student or teacher feels isolated in our school, but rather supported by a strong and connected network.

Parent Opinion Survey -

Just a quick reminder to those parents who received the email and link on Monday to the Parent Opinion Survey), to please complete it. It is significantly shorter and less complex than in the past. It can be completed on any device with an internet connection.

ALL ORDERS TO BE PLACED at the Front Office BEFORE SCHOOL

Malcolm Moore equalled the 15 Boys High Jump
Allea Heintze and Talita deWet broke previous records,
but these were again broken on the day

FINAL TOTALS

WINJEEL 3256

LOWAN 3003

Thank you to everyone who supported the students in the lead up to and on the MCC Sports Day. It was a glorious day and it was fantastic to have the family and friends of students there to cheer them on. Congratulations to all the students on their efforts, it was excellent to see their skills improve over the term and they all performed so well on the day. Many parents helped with timing, measuring and encouragement. We appreciate your help, ensuring the day was a success and ran smoothly.

Well done to all the age group champions in the primary and secondary. Congratulations to Winjeel and their captains, who won the athletics shield. We sincerely apologise to Jack Sharrad who was read out as runner-up champion, 18-20 boys, but actually won the age champion for the day.

Also to Tara Heintze who was read out third in the 18-20 girls, but actually came runner-up champion. We apologise to all students involved in the mistake which was due to the computer not refreshing quickly enough. The certificates and medals have since been corrected and we thank all the students for their understanding and support.

The primary school are looking forward to their trip to Ouyen on Friday the 25th of August to compete in the Underbool District Sports Carnival, whilst the secondary students will be competing in the Mallee Division event on Wednesday the 30th of August, also at Ouyen. The secondary team will be selected and notes sent out in week 6. Please don't hesitate to contact us if you have any questions.

We would like to take the opportunity to thank everyone for their help throughout the year with all the House Events. It has been another brilliant sport season and we look forward to competing strongly at the next stages in Athletics.

Josh Willersdorf and Eryn Wyatt (Sport Coordinators)
