

Murrayville Community College Uniform Policy

Rationale

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing Murrayville Community College. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Uniform Policy.

Aims

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation

- After consultation with the school community and the Student Representative Council, School Council has developed a Uniform Policy that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Dress Code applies to all secondary students during school hours, while travelling to and from school, and when students are on school excursions.
