Carly Ryan Foundation Sessions –

I would like to sincerely thank Paul and Barb Ireland for their efforts to organise the visit from Sonya Ryan and Dr Tess Opie from the Carly Ryan Foundation to present their sessions on 'Online Safety' and 'Healthy Relationships'. I only attended the parent session, but I found it very informative and thought provoking. Our adolescents are negotiating a very different and more complex social environment from the one to which we were exposed. There are a range of pamphlets and brochures at school, for any parents who missed the sessions and would like one. The Carly Ryan Foundation website (<http://www.carlyryanfoundation.com>) is also a great starting point for any of this information.

Mallee Cluster and Youth Ambassadors –

Jade and Lilly travelled with Mrs Inglis and me to Ouyen on Monday to work on ways that we can further increase the social and learning opportunities for all Mallee students. After some negotiation it was agreed that we will combine our 7-10 camps in 2019, offering Year

Thanks to Michelle Hand, who has been very capably filling in for office staff during the last couple of months

7s a camp to the Grampians, Year 8s will be offered a surf camp, to either Anglesea or Cape Bridgewater, Year 9s will be booked into Rubicon Outdoor Education Camp and Year 10s will attend Bogong Outdoor Education Centre. Our Year 11s will still be offered a snow/ski trip to Bogong in 2019. The Mallee Youth Ambassadors,

the Carly Ryan foundation

including Jade and Lilly, have decided to run a Transition Day for all Mallee Year 6 students who are entering Year 7 in 2019. Although still to be finalised, at this stage it will probably be held in Ouyen during the Transition week in December.

Parent Opinion Survey –

This week all families will have received an email with a link to the online Parent Opinion Survey. We value your opinions and insights greatly and I urge all families to complete this survey once. Please feel reassured that responses are completely anonymous. The survey closes on Sunday the 26th of August.

About You Survey –

August must be the month for surveys. The college has been selected this year to run the 'About You' survey with students from Years 5, 7, 8, 10 and 11. This is a health and well being survey that will be completed in about 320 schools across Victoria. It will be administered online and supported by field officers from Melbourne on Tuesday the 7th of August. Results from the survey will be used to develop programs and services for young Victorians. An information package is coming home to parents today.
